Hi Matt,

I hope you are doing well today! Attached are the slide for the briefing along with some background on the treated seed petition to give you some context for the talking points. We included some of the key talking points in the notes section of the powerpoint slide. If you have any questions please let us know.

Best,  
Quinn

**Importance:** High

Hi Julie,

Attached you will find a slide that we started putting together for an upcoming briefing that we have for Michal. We already briefed Ed this past Thursday, but there was a request to add a slide regarding the seed treatment petition. Can you assist me with finalizing the seed treatment petition slide, as well as putting in some key talking points? I know it's short timing but we need to re-brief Ed on Wednesday, April 21<sup>st</sup> @ noon, and ideally we'd like to send the slides around to the teams to take another look. With that being said, would your team be able to get something to me by noon on Monday?

Thank you,

Matt
